Regent

Introducing the Regent Collection, a sanctuary within the home where you can rest, relax, and shut out the stresses of daily life. This collection offers sumptuously soft and cosy lounging, embodying the core values of 100% British design and craftsmanship. Created using the finest materials, the Regent Collection features feather and fibre-filled seat cushions for a deeply slouchy, comfortable feel.

Made in Britain, each piece boasts a seasoned hardwood frame sourced from traceable and sustainable origins. All key joints are meticulously glued, screwed, and stapled to ensure strength and durability for years to come. With a choice of over twenty luxury fabrics and three different foot finishes: Weathered Oak, Walnut, and Chrome.
